

REMARKS

Claims 1-7 and 11-23 are now in the application. The amendments to claims 5, 6 and 7 remove the multiple dependencies. Claim 7 has also been amended to place it in more typical US format by deleting the more limited Markush groups that are within the scope of the broader Markush group in the claim. The amendments to the claims do not limit their scope. The amendment to the claims and newly presented claims do not introduce any new matter.

Applicant believes no fee is due with this preliminary amendment. However, if a fee is due, please charge our Deposit Account No. 22-0185, under Order No. 13156-00003-US from which the undersigned is authorized to draw.
